

Greetings and prayerful wishes to Catholic Daughters of the Americas.

We are going through some difficult times in our life in this year 2020. Covid 19 has made so many changes in our daily life. Let us not lose hope. Trust in God, He has a purpose in life for all of us.

The Catholic Daughters who strive to embrace the principle of faith working through love in the promotion of justice, quality and the advancement of human rights and human dignity for all. Through our motto of "Unity and Charity" you are faith-filled women striving to strengthen your relationship with God through joint spiritual activities, while serving the church and the community.

St. Paul in the letter to the 1 Corinthians (12:4-6) tells us: "Now there are varieties of gifts, but the same Spirit; and there are varieties of services, but the same Lord; and there are varieties of activities, but it is the same God who activates all of them in everyone. To each is given the manifestation of the Spirit for the common good". We are all blessed with many gifts. The gifts that God gives to us should never be used selfishly but rather for the good of all. We all need to ask ourselves: "What gifts has God given me? Am I using these gifts mainly for my own personal gain or for the service of others?" If we began using the little gifts we have for the common good -- like the gift of praying, teaching, caring, helping, encouraging, listening, writing, etc. -- then these gifts will probably begin to grow and soon we will begin to see miracles. God will take the little we have and turn it into something beautiful for Him and for all. God bless you all and all the work you do for Kingdom of God.

Sincerely in Christ,
