National Regent's Message

(continued)

Love helped change our ways of doing many things. Using technology made meetings, workshops and even state conventions possible. That was a change in our life! There is an old saying that I quote many times. The only one who really likes a change is a wet baby. Although I fought change, using Zoom did force me to accept changes. I learned to use a new tool that allowed meeting face-to-face, have necessary discussions and keep moving ahead. Change is necessary and can be good!

Our vision and our purpose in this life is to love one another as God loves us. A priority should be to love all, therefore representing Jesus to everyone we meet. As Catholic Daughters how do we do this? By following the first and greatest commandment "Love the Lord your God with all your heart and soul and mind". The second commandment completes the explanation "Love your neighbor as yourself". Love is always willing to help. Love is free. The only cost is that we truly open our heart and mind to Jesus and allow Him to lead us without reservation on this journey of life.

May God continue to bless us, everyone!
